INSTRUCTIONS

Please take the following if experiencing pain after a procedure.

- **Regular Strength Tylenol (Acetaminophen – 325mg)**
- **Advil (Ibuprofen – 200mg)**

Take 2 Tylenol 325mg and 2 Advil 200mg together every 6 hours as needed for pain. You are taking 4 pills every 6 hours. If pain persists after 3 days and is not tolerable, please contact our office at 435.414.3111.
